

**Our NAPA AutoCare “Peace of Mind”
Warranty means no worries,
no matter where you are.***

When you have qualifying repairs completed on your car or light truck, we’ll guarantee them for 12 months or 12,000 miles, whichever comes first. You’ll also have the opportunity to double your coverage, too. When you pay for your repairs with a NAPA Visa® or NAPA AutoCare **EasyPay** credit card, your warranty is doubled to 24 months, or 24,000 miles. That’s up to two full years of peace of mind. Best of all, this comprehensive warranty is available at over 12,000 NAPA AutoCare Centers nationwide. So when you travel or relocate, you never have to worry about your vehicle – there will be a NAPA AutoCare Center nearby to help you get back on the road.

**“Peace of Mind” Warranty
Our NAPA AutoCare Center employs
ASE-Certified technicians**

They have excellent experience, skills and knowledge.

To become certified by the National Institute for Automotive Service Excellence (ASE), technicians must pass at least one of ASE’s 40-plus exams and provide proof of two years of relevant work experience. ASE exams are no cinch to pass; approximately one out of three of those tested fails. Prior to taking ASE exams, many technicians attend training classes or study after work in order to sharpen their skills.

They stay current on changing technology.

Today’s vehicles are more complex than ever, and mistakes can be costly. Technicians with ASE credentials keep their skills current and must be retested every five years to remain certified.

They’re committed to quality.

The ASE program is voluntary. Technicians who have invested the time and expense to earn ASE certification take pride in their work, and it shows in the service they provide.

Founded in 1972, the National Institute for Automotive Service Excellence is an independent, non-profit organization that tests and certifies the competence of individual automotive repair technicians. For more information, visit www.ase.com.
